Pro's Corner

The hot days of summer are here, with the temperatures soon to be in triple digits. We need to drink plenty of water and generously apply sunscreen.

The competition is rising just like the temperature with the 4th of July Flag Fundraiser Tournament and the MGA Championship on July 9th and 10th.

If the heat gets to be too much, there is plenty of golf on TV this month, with a total of 5 Majors being played. The PGA has the Open Championship in Scotland and the PGA Championship in New Jersey. The LPGA has the US Women's Open in California and the Women's British Open in England. The Champions have the Senior Open Championship in Scotland.

Go out and enjoy a round of golf then head over to the 19th hole, grab a cold drink and enjoy some cool air while watching some golf on the big screen.

Sunday Couples

This group is organized to promote husbands and wives or significant others or just friends (man and woman) enjoying a game of golf together. We play on Sunday morning at 9:45 am unless the club has something else scheduled at that time. We also encourage after golf dining and social time together at the club. We allow all levels of golfers that can generally play the game, but we impose a maximum handicap of 28 for men and 32 for women. The fee for playing in couple's golf is $5.00 plus each person must have 5 quarters for closest to the pin on par three's. The game is generally a four person game chosen by the Committee (me and herself) and paring is such that the teams will be as equal as possible. If there are just a few couples participating, the game might be couple against couple. All monies are returned to winning players, but if you want to make a bunch play with the giggle or gaggle. We try to have as many winners as money will allow. We are just here to have fun and enjoy each other's company. Contact Sloan or Juanita Brooks at sloan@sloan.net

Honeymooners

Inviting all new BCC Golfing Couples to come out and meet other golfing couples.

We invite adult couples (husband/wife, significant others, mother/son, father/daughter, male/female friends) of varying skill levels to come out and play a nine hole, four person scramble golf event. The cost is just $5.00 per person.Our goal is to pay out as many teams as we can within reason. We also give money for both the woman and man who gets closest to the pin on all par three's. We generally start around 5:30 p.m. (depending on the amount of daylight) each Friday evening beginning in the spring and winding up once Daylight Savings comes to an end. Afterward, we continue the camaraderie in the clubhouse where we meet for dinner and drinks.This is a great way for "new and old" to mix and develop friendships.

New golfing couples, please do not be intimidated. This is very low key. Don't have an established handicap or GHIN number. No worries.

Our intent is to improve your enjoyment of our club and enjoy fellowship with other BCC Golfing Couples.

Women's Golf Association

It's July! Wow, time is passing by quickly and the WGA year is already half over. Just a couple of things to share with you:

The Couples Tournament on Sunday was lots of fun with 25 couples playing. Thanks to Robin for doing such a great job!

Monday is the July 4th Tournament. This is a 4 person Flag Tournament. You choose your own team and make your own tee time. The entry fee is $25/person and the winning team will be recognized for the donation to both FOLDS OF HONOR & FIRST TEE. It's a great way to celebrate the 4th of July.

Mark your calendars for July 9th for the monthly WGA tournament. The format will be Stableford with tee times stating at 8:00. Betty and Juanita are hosting.

Leanne Dillingham found a silver heart shaped charm engraved with Most Improved Golfer 2011. If this is your charm, contact Leanne at ldillingham55@gmail.com.

Tuesday, July 12th, 5-7 PM will be the next BCC workday. Last month we cleaned out and trimmed up the crepe myrtles by the putting green. I'm sure Martha has some new projects for us on the 12th. She has mentioned picking weeds from the rock garden by the 4th tee box. It's all in the shade, so it should be a cooler spot to work. We worked hard last month and the club treated us to drinks in the bar afterwards. Join us, it's really fun and we can always see the "fruits of our labor".

Board of Governors

July brings with it fireworks and celebrations and your club will have a number of events planned for you to have a wonderful summer. The pool was in full use at our recent member appreciation dinner where members enjoyed burgers, sliders and meeting with your neighbors. Improvements continue on the golf course with updates posted just outside the pro shop and our ten tennis courts are getting great use, especially from many of our Preview members who recently converted out of Preview into a full Tennis membership. Our retention numbers for Preview have been great and your Board of Governors continues to reach out to each Preview member in the month before they convert to full membership checking in with them while management ensures throughout their Preview that they are being integrated into club activities.

I tried to reach out to all members with 'Blue badges' (those at the club less than a year) but if I missed introducing myself to you please feel free to seek me or any member of the Board of Governors and let us know how we can make sure you are getting the most out of your membership. This goes for any member and I hope all members old and new are making new friends in the club.

Have a great July.

John Winfrey, Board of Governors Chairman

Get to Know Gen X

Fun Summer Days & Nights! School is out...the days are getting longer...where else would you be...nowhere but BCC! The Gen X Committee continues to work hard planning a variety of events that cater to all ages and stages. We want all BCC members to participate and come to any of the events planned. Be sure to check out the BCC calendar for dates and activities over the summer. But we are most excited for the events to come this Fall. Ideas in the works for this Fall: First Day of School: "Mom's Boohoo & Bellinis"; College Football Saturdays; UT vs. Notre Dame Tailgate & Game Watch (Sept 4th); October - Costumes & Casino and Kid's Halloween Carnival, November - Beer Pong Part II; December - Holiday Golf Cart Caroling..just to name a few.

Mission Playscape! We need your donations! We are working fast to raise funds to build a commercial grade playscape and permanent fence area near the pool for year-round enjoyment. Did you miss the neighborhood Garage Sale? We have a deal for you - Gen X will be hosting a Fundraiser Garage Sale on June 17-18 at the Spicewood Clubhouse. We need your donated items as all monies received from the garage sale will go 100% to the playscape cost and construction. Any items you are ready to part with please consider donating to our fundraiser. Watch weekly blast for more details or Contact Laura Denbar lauradenbar@gmail.com for item pick up or delivery. Mark your calendars to come shop!

With summer fast approaching and more families becoming members, we need to raise awareness for proper club etiquette. Parents must supervise their own children at all times. Please review the recent Pool News regarding BCC Pool Rules. Inside the clubhouse, all members (including kids) should be respectful of club property and other members. Children are not allowed in the 19th Hole without proper adult supervision. BCC reserves the right to ask any member and their family or guests to leave any event should they see fit. In closing, BCC is working hard to make the club more family friendly, but we have to have these rules in place in order to maintain a happy and safe environment for all members.

Spicewood Golf Course Trespassing

In an effort to clear up some of the misperceptions about the Spicewood Golf course please understand that *anyone* on the golf course property for any reason is trespassing. The golf course is closed regardless whether you are a dues paying member of the Club or a homeowner adjacent to any hole on Spicewood. Baclones Country Club will not be responsible for any injuries that occur to any persons or family pets who are on the golf course property at any time. Trespassers assume all risks. The only people you should see on the property are golf course personnel that are trying to maintain the grounds to the best of our ability.

We appreciate our members and neighbors adhering to the current status on the Spicewood
