Let's face it: you are sitting on tons of papers like unsorted junk mail, receipts, recipes, kids' school papers, family documents, photos, paper from old jobs, even boxes of papers you MOVED from one house to another and have never sorted.

Guess what? Here's your opportunity to cut it down to what you actually need! (Shredding bins on site!!) This is your chance to take care of FUTURE YOU! And pamper the PRESENT you at this fun yet productive event!! Door prizes and perks (and of course FOOD) all throughout the event! You do NOT want to miss PaperPalooza!!
