2018 TOP SPONSOR

GOLD SPONSOR

Chris & Kim Treadaway
Balcones Country Club - 5 Sponsorships

Our family moved to the Balcones neighborhood about 2 years ago when our only daughter, Margot, was just about to turn four. When we initially visited Balcones Country Club, it was to hear more about the Golf membership for Chris, but we were pleasantly surprised to see how family-focused the Club was and joined for both the golf and social aspects the Club offered. Since our daughter was not yet in school, the Member Appreciation Events were an opportunity for us to meet other families living in the area. Through our respective businesses, Chris and I were blessed to meet many families last year. In fact, as a Club Member and Realtor, I encourage all my Clients to check out the club as a way to meet their new neighbors and get involved in the many Clubs-within-a-Club. Our sponsorship of these families allowed us to travel with the Club to the Partners Invitational in Florida last October. There, we were fortunate to get to know the other top sponsors and became fast friends. Chris thoroughly enjoyed being treated like a Pro during the tournament and getting to play on the world-renowned courses. The Partners Invitational is an added bonus and a trip of a lifetime for avid golfers like Chris. We intend to qualify again this year and challenge you to join us! See you around the Club!

Balcones Country Club will not be responsible for any injuries that occur to any persons or family pets who are on the golf course property at any time. Trespassers assume all risks. The only people you should see on the property are golf course personnel that are trying to maintain the grounds to the best of our ability.

We appreciate our members and neighbors adhering to the current status on the Spicewood golf course.
