Sunday Couples

This group is organized to promote husbands and wives or significant others or just friends (man and woman) enjoying a game of golf together. We play on Sunday morning at 9:45 unless the club has something else scheduled at that time. We also encourage after golf dining and social time together at the club. We allow all levels of golfers that can generally play the game, but we impose a maximum handicap of 28 for men and 32 for women. The fee for playing in couples golf is \$5.00 plus each person must have 5 quarters for closest to the pin on par threes. The game is generally a four person game chosen by the Committee (me and herself) and paring is such that the teams will be as equal as possible. If there are just a few couples participating, the game might be couple against couple. All monies are returned to winning players, but if you want to make a bunch, play with the giggle or gaggle. We try to have as many winners as money will allow. We are just here to have fun and enjoy each other's company. Contact Sloan or Juanita Brooks at sloan@sloan.net juan1941@swbell.net or 512-249-6777.

Honeymooners

Inviting all new BCC Golfing Couples to come out and meet other golfing couples.

We invite adult couples (husband/wife, significant others, mother/son, father/daughter, male/female friends) of varying skill levels to come out and play a nine hole, four person scramble golf event. The cost is just \$5.00 per person. Our goal is to pay out as many teams as we can within reason. We also give money for both the woman and man who gets closest to the pin on all par three's. We generally start around 5:30 p.m. (depending on the amount of daylight) each Friday evening beginning in the spring and winding up once Daylight Savings comes to an end. Afterward, we continue the camaraderie in the clubhouse where we meet for dinner and drinks. This is a great way for "new and old" to mix and develop friendships.

New golfing couples, please do not be intimidated. This is very low key. Don't have an established handicap or GHIN number.? No worries!

Our intent is to improve your enjoyment of our club and enjoy fellowship with other BCC Golfing Couples.

Pro's Corner

Two peas in a pod. We really are. Bill Stern and I are a lot more alike than not. We both have a passion for tennis, a unique sense of humor and we both lose things a lot. But we cover for each other, and that's what friends do.

Bill has been covering my back since he started teaching at Balcones. He has spent countless hours volunteering with clinics, drills, socials and anything and everything else to help me, our programming, and the membership. He is truly an amazing man!

As most of you know, Bill is retiring from teaching. The good thing is I will probably still see him every day. He is going to focus on improving his own game and spend more time with family and friends. I am truly thankful for all he has done, and will miss him tremendously. I really do appreciate you Bill Stern. Thanks so much!!

Just a quick update on the lighting on courts 5-7. The re-wiring is almost completed. The courts will be down on Tuesday, August 2nd so that we can bring in a lift and complete the work on top of the poles. Thank you for your patience with this process.

Burgers and Beer will be held on Saturday, August 20th at 9:00 a.m. This social event is open to all levels of players. Please RSVP by Friday, August 19th. More information is on the website at www.danwegertennis.com.

The Fall junior and adult programming will begin the week of August 29th. We will be off the week of August 22-28th, so there will be no classes, leagues, clinics or drills for that week. Anyone interested in Monday night men's doubles, Tuesday night ladies' doubles or Thursday night mixed doubles should drop me an email to balconestennis@gmail.com. The after school junior program schedule and registration is available at www.danwegertennis.com. Just click on Junior Tennis.

We have a new pro on staff. Cody Scott just moved here from Dallas and started at Balcones last week. He is working with the junior camps and helping out with the adult clinics. I will be posting his bio on the website. He is available for private and group lessons. His contact number is 972-400-2469.

How do you earn points and go to PGA National? Points add up by sponsoring new members...Here's the breakdown...Sponsor a new full golf member = 2 points, Sponsor a new "full golf preview" member = 1 point, A "full golf preview" member you sponsored converts to full member = 1 point, and Sponsor a current social or tennis member to upgrade to golf = 1 point. Board of Governors

The Board of Governors has been actively working with the various committees at Balcones continuing to foster a sense of not only Pride, but also commitment to the club.

Pride in listening to members concerns and making subtle changes to enhance our members experience. We have heard concerns from members who frequently use the pool and we have made subtle changes with oversight and maintenance. The management will also evaluate ongoing changes to finish out this season while evaluating larger changes to improve the experience next year.

Commitment comes through the investment the club makes in its members and in members making investments in the club. We have seen management making improvements to the lighting on the tennis courts at Spicewood as well the North End practice facility. We saw a tremendous amount of work go into preparing our pool for the Summer season with overdue maintenance and we as members are benefiting from the clubs commitment to us. We have also seen a renewed commitment from members. Our tremendous club welcome and follow ups with Preview members saw us have a 78% conversion rate of June Preview members to full membership. A combination of great new menus (with new menu items still to come) saw food and beverage revenues in June exceed forecasts and we have seen record participation for the couples tournaments and Sundowners.

Together, we are making our club where we want to socialize, play and eat. The Board of Governors thanks both the management and the members for continuing to make these commitments and take Pride in our club.

John Winfrey, Board of Governors Chairman

Get to Know Gen X

SLOOOOWWW Down Summer! Wow! Where have the days gone? It's August! Thank you to everyone that donated and shopped the Garage Sale. Mission Playscape is in full "swing". Have you noticed that the new fence is up? Our Fab Friday Family Fun continues to be a success...kick off to summer...luau...and August will be Olympic theme. Surely you haven't put away your Red, White & Blue so put on your best duds and come out and cheer for Team USA! I'm pleased to say that our Friday fun will continue year round - so mark your calendar for every second Friday and watch for more details. And how about Wine Tasting - what a wonderful turn out from so many members who tasted and voted on their favorites for our wine menu. Patrick is gearing up to have quarterly wine tasting events to continue to find new delicious wine. And what about Karaoke Night - who knew we had such hidden talent amongst our members - such a fun night and another fundraising success for Mission Playscape....we are getting closer to our goal so let's keep "climbing up the ladder" and get it built!

We've been working hard all summer to fill up the calendar through the Fall and early Winter - remember all events are open to all BCC members. Here's an update from the last newsletter: Trivia Night (Aug. 5th); BooHoos and Bellinis (Aug. 23rd); Adults Poolside Party (Aug. 26th); College Football Saturdays; UT vs. Notre Dame Tailgate & Game Watch (Sept 4th); Caddyshack Golf Tournery (Sept. 16th); October - Costumes & Casino and Kid's Halloween Carnival; Glow Golf 2 Person Scramble & Party - no experience preferred! (Nov. 11th); December - Holiday Golf Cart Caroling and Brunch with Santa; January - Beer Pong Part II. Be sure to check out the BCC master calendar for all events AND it's very convenient to just tag the calendar into your phone and be up-to-date at a moment's notice for all happenings.

Our committee is beginning to form smaller event sub-committees. If you are interested in helping with an event sub-committee, please email me at bccgenx@gmail.com. I'm so incredibly proud of our successes as we continue to grow our membership. Keep talking to your friends and neighbors. BCC has something for all ages and stages. The fun has just begun! Looking forward to a great Fall and even better Winter - what better place to be than at BCC with your friends and family!
