Golf Committee

PRIDE! is the theme for 2016 and your Balcones Country Club Golf Committee is dedicated to enhancing pride in our Club thus increasing your membership value. The Golf Committee is at your service! Our group consists of a dozen caring members and five Key Club personnel lead by Donny and JJ. We've sought representatives from every conceivable group at our club including WGA, MGA, Honeymooners, the Ambassadors and the Handicap Committee. These group leaders forward any concerns to our Golf Committee and we address them in an organized, timely fashion in hopes of eliminating the problem.

I think you will agree that our group is off to a great start heading into the summer. Please note our early successes...complete bunker makeovers with new sand in place and sod wall replacement ongoing, a total renovation of the green and bunker complex on number fifteen, new yardage markers, the WGA's beautification of the first tee area and our new plastic tees. The berms on the right side of 16 and the rehabilitation of the right side of 14 fairway are our next major tasks set for completion. "The Golf Academy" is bursting with juniors who are keen on learning this great game and Myron and Mark are just as eager to instruct them.

Upcoming Pride Enhancement Opportunities will include a monthly Work Day (a two hour work bee with members volunteering their time to help with smaller items that take time away from our grounds crew). We're in the process of displaying new directional signage as well as reminder signage for carts and cart paths. Watch for an "Adopt a Hole" program to launch in the coming weeks.

New Members are signing up and enjoying the club everyday, let's make sure that our Pride in the Club is apparent, consistent and positive as we welcome these new Members to BALCONES..the Club that has the most fun...and PRIDE!

Chairman

New Recycled Tees

Out with the old in with the new! We have recently switched to a new golf tee that is a combination of recycled material that outlast the old wooden tees by 50 times. Other playability benefits are: faster launch speeds, reduced spin, increased carry and increased roll. Not to mention the other benefits: outlast wood by 50 times, doesn't mark up your clubs, will not damage tires or mowers, eliminates broken tee clutter. Don't forget to pick up your tees and reuse them over and over. The club spends \$4,000 a year in purchasing tees for our members use. Help continue the Balcones Pride theme.

Sunday Couples

This group is organized to promote husbands and wives or significant others or just friends (man and woman) enjoying a game of golf together. We play on Sunday morning at 9:45 am unless the club has something else scheduled at that time. We also encourage after golf dining and social time together at the club. We allow all levels of golfers that can generally play the game, but we impose a maximum handicap of 28 for men and 32 for women. The fee for playing in couple's golf is \$5.00 plus each person must have 5 quarters for closest to the pin on par three's. The game is generally a four person game chosen by the Committee (me and herself) and paring is such that the teams will be as equal as possible. If there are just a few couples participating, the game might be couple against couple. All monies are returned to winning players, but if you want to make a bunch go to giggle or gaggle. We try to have as many winners as money will allow. We are just here to have fun and enjoy the company. Honeymooners

Inviting all new BCC Golfing Couples to come out and meet other golfing couples.

We invite adult couples (husband/wife, significant others, mother/son, father/daughter, male/female friends) of varying skill levels to come out and play a nine hole, four person scramble golf event. The cost is just \$5.00 per person. Our goal is to pay out as many teams as we can within reason. We also give money for both the woman and man who gets closest to the pin on all par three's. We generally start around 5:30 p.m. (depending on the amount of daylight) each Friday evening beginning in the spring and winding up once Daylight Savings comes to an end. Afterward, we continue the camaraderie in the clubhouse where we meet for dinner and drinks. This is a great way for "new and old" to mix and develop friendships.

New golfing couples, please do not be intimidated. This is very low key. Don't have an established handicap or GHIN number. No worries.

Our intent is to improve your enjoyment of our club and enjoy fellowship with other BCC Golfing Couples.

Hole 'N One

Congratulations to Mary Fran Pena, who had a Hole-In-One during the Texas Women's Golf Association Tournament at Delaware Springs in Burnet during the week of May 9th.

Women's Golf Association

In June, Wednesday Play Days will continue to be at 9:00 am each week, but Nine and Dine moves back to 6:00pm. Hopefully this will give more time for the working ladies to get out to the course. Each Play Day costs only \$2 to play and the WGA provides that entry fee on the 1st and 3rd Wednesday for the 9:00 am Play Day and on the 2nd & 4th Wednesday for Nine and Dine.

Our monthly tournament will be held on June 11th, and it's a "Step Aside Scramble" starting at 8:30am. Carol Lee is the hostess, and if you would like to help Carol, just send Patti Brown a note at pagoda@yahoo.com to let her know. Patti likes to have two hostesses for each tournament.

Remember, The Golf Academy Clinics for the WGA are on Wednesday of each week. In June, these clinics will be moved to 4:30-5:30 pm, so that you can still play in the 6:00 Nine and Dine. The charge for the clinic is \$15/person and please call Myron at 512-983-3996 to let him know you plan to attend. The Golf Academy will also be offering a two person clinic for \$15 each that you schedule yourselves. This will probably work great for some of you. Mark & Myron do an excellent job and the ladies are really gaining a lot of experience and skill from the clinics.

The WGA will be hosting a Couples Golf Tournament on Sunday, June 26th with a 1:00 pm shot gun start. The entire BCC membership is invited to participate in this couples tournament. It will be a 4 person Texas Shamble, where each person on the team drives the ball, then you choose the best drive. From that point, each team member plays their own ball until it's holed out. It should be lots of fun and the MGA will provide men golfers for our ladies who will be needing a partner. More details to follow!

That's all for now!

Pro's Corner

I'm thinking this is going to be a tough one. Summer I mean. We don't have a lot of control over what Mom Nature hands us, so, we've got to be prepared for the worse. Hydration, hydration and hydration is the key. If you have a choice, try to schedule your tennis earlier in the day, or in the evening. But even then, the heat can have a major effect on you. When playing, wear loose, light colored clothing, a hat, and don't forget the sunblock. On change overs, try to get out of the sun, even if it's by throwing a towel over your head. There's nothing better on a really hot day than to have an ice chest with cold towels to wrap around your neck. But the most important thing...keep the water flowing, constantly. If you start to feel faint, or sick to your stomach, get off the court. Don't try to finish the set, or even the game, just pack it up and get yourself cooled down. It's a long summer and there will be plenty of other matches to be played. Just remember to start hydrating well before you step on the court, keep hydrating as you play and even after you finish. Fall is only a few months off, you can make it.

Session 1 of the Summer Junior Camps will start June 6th. We'll have five two-week sessions throughout the summer. Students can either signup for specific sessions or signup for the Summer Pass and drop in anytime throughout the summer. We'll send monthly statements for classes attended to those players. Full schedules, fees and registration is located on the junior page at www.danwegertennis.com.

A "Welcome to Summer Vino and Volley" will be held on Friday, June 3rd starting at 6:30 p.m. We'll have warm up drills and then pair off and play. Everyone should bring their own beverages and a snack food to share. Reservations are not required, just show up. You can play as much or as little as you like. There are always plenty of people just hanging out socializing.

"Burgers and Beer" will be held on Saturday, June 25th. Play starts at 9 a.m. and lunch will be served around 11:30 a.m. First round is a blind draw, with rounds 2 and 3 paired by pro staff for more competitive play. This event is open to all levels of players. There is a \$12 per person fee which includes, tennis, beverages, lunch and door prizes. RSVP by Friday, June 24th. In May we filled all the courts, hopefully we can do it again in June. Hope you can make it out.

The Monday Night men's play, Tuesday Night ladies and Thursday night mixed will continue through the summer. Anyone wanting to participate in these weekly events should drop me a line to balconestennis@gmail.com. Additionally, the singles ladders are still open to newcomers through the Global Tennis Network.

Board of Governors

Your Board of Governors continues to represent you and the various committees at Balcones Country Club as we prepare for our Summer season. I hope that you have been able to attend one of the member appreciation events the past few months where each event had over 250 members attend to welcome old and new friends. Board members have actively sought out new members, or those who have been with the club for less than one year, soliciting their feedback on what is working and what needs improvement. The feedback continues to be positive and we have been able to highlight some of the events that closely align with their interests.

In addition, we are calling all preview members as their preview time period transitions to full membership to ensure those members are aware of and taking advantage of all of the great upcoming events planned for the club. We have live entertainment at the club on June 3rd and June 17th as well MGA and WGA events planned; Gen X Fab Friday events starting on June 10th and will continue on the second Friday of each month and fabulous pool plans including a big blowout on the 4th of July.

I encourage you to seek out BOG members and provide us feedback on how we can better serve you.

John Winfrey, Board of Governors Chairman

Get to Know Gen X

Fun Summer Days & Nights! School is out...the days are getting longer...where else would you be...nowhere but BCC! The Gen X Committee continues to work hard planning a variety of events that cater to all ages and stages. We want all BCC members to participate and come to any of the events planned. Be sure to check out the BCC calendar for dates and activities over the summer. But we are most excited for the events to come this Fall. Ideas in the works for this Fall: First Day of School: "Mom's Boohoo & Bellinis"; College Football Saturdays; UT vs. Notre Dame Tailgate & Game Watch (Sept 4th); October - Costumes & Casino and Kid's Halloween Carnival, November - Beer Pong Part II; December - Holiday Golf Cart Caroling...just to name a few.

Mission Playscape! We need your donations! We are working fast to raise funds to build a commercial grade playscape and permanent fence area near the pool for year-round enjoyment. Did you miss the neighborhood Garage Sale? We have a deal for you - Gen X will be hosting a Fundraiser Garage Sale on June 17-18 at the Spicewood Clubhouse. We need your donated items as all monies received from the garage sale will go 100% to the playscape cost and construction. Any items you are ready to part with please consider donating to our fundraiser. Watch weekly blast for more details or Contact Laura Denbar lauradenbar@gmail.com for item pick up or delivery. Mark your calendars to come shop!

With summer fast approaching and more families becoming members, we need to raise awareness for proper club etiquette. Parents must supervise their own children at all times. Please review the recent Pool News regarding BCC Pool Rules. Inside the clubhouse, all members (including kids) should be respectful of club property and other members. Children are not allowed in the 19th Hole without proper adult supervision. BCC reserves the right to ask any member and their family or guests to leave any event should they see fit. In closing, BCC is working hard to make the club more family friendly, but we have to have these rules in place in order to maintain a happy and safe environment for all members.

ATTENTION: BCC MEMBER BUSINESS OWNERS
