Thank you Balcones!

On behalf of the clients, staff and Board of Directors of Texas Advocacy Project, I want to thank you—the members of Balcones Country Club for helping us kick off our Annual Backpacks for Hope campaign. All together you donated 115 backpacks that will enrich the lives of children in need.

Violence in the home is a social epidemic and it needs to stop. In 2010, almost 16,000 children will go to sleep in a domestic violence shelter in Texas. The overwhelming majority will be fleeing abuse with their mothers. Texas Advocacy Project has the legal expertise to help end abuse. At the Project, we provide legal solutions and access to justice to those in need. For example a victim who has a protective order immediately becomes 80% less likely to be re-victimized in the future. The Backpack for Hope campaign allows us to communicate to families who are in crisis, that we are here, that we can help, and that our services are free.

Because of your help, we will not only make it a little easier for kiddos in need to navigate the scary waters of a new school, but provide their moms with the information they need to keep their families safe. After all, studies show the best long term solution to domestic violence is legal intervention, and that is exactly the free service Texas Advocacy Project provides.

Your participation in the drive helps makes this work possible.

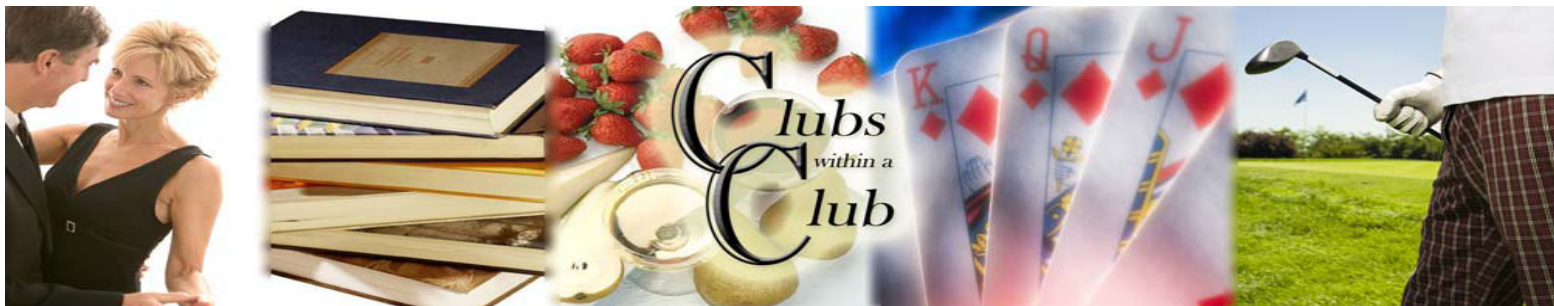

Thank you,

Texas Advocacy Project

Development Board... by Mark Riddle

FROM THE CHAIRMAN

22!!! Great job from all of the members who've brought new friends to join and to Ike for getting them signed up. We're only 22 members away from our target of 576 and the beginning of a whole new Balcones!

Now that we've got our trigger number in sight, let's look at what that means for the capital improvement fund...

We don't get the entire \$1.3 million in one lump sum. There were 376 members when the APGM lease began (our base number). Our trigger is 576, meaning the difference is 200 members. APGM puts 50% of each of those 200 members dues into the capital fund, so the \$1.3 million is paid over time.

What it also means is that we can't stop recruiting once we hit 576. Every member over 576 increases the dollars that are put into the fund.

How will the funds get dispersed? We've been taking suggestions at balconesbog@gmail.com for several months. The development board will begin prioritizing the major renovations we want pay to for with the capital fund of over over the next few meetings. Once we hit trigger, we'll be having elections for the Board of Governors (which will replace the currently appointed Development Board). The Board of Governors will be making the final decisions as to how the capital fund gets spent (with the restriction that any project over \$250k must also be approved by the Board of Directors).

What projects are leading in raw numbers of suggestions?

Cart Paths

Spicewood Tennis (repair and expand)

Pavilion/Deck/Patio (replace smoking area at BCC and Spicewood)

Workout room/gym

BCC Ladies Locker

Resurface greens/Bunker additions

We're continuing the Associate Member Promotion which gives you the opportunity to get up to 25% off your dues FOR LIFE. It's as simple as bringing in one new member (who will also get that same low rate). This promotion will end once we hit the 576 full member total. If you've got someone who's interested, call Ike Lee.

If you're a new member – welcome to the Balcones family! You may wonder how's best to get involved??? Check out the Balcones website (balconescountryclub.com) or become a friend of Balcones on Facebook to keep up with the latest events. You can also send an email to the MGA (balconesmga@gmail.com) or the WGA (balconescwga@gmail.com) to keep up with the men's and women's events. There are many weekly and monthly events for everyone.

Remember the 2nd Friday of the month is "Cocktails with the Council" – a great event for you to attend with potential members. The Development Board and staff are there to welcome them and answer any questions about membership.

Anyone who joins after all of the slated improvements have begun will pay a premium for them. No one who's here already will pay for them. There's never been a better time for your friends to join us here at Balcones.

Thanks again to all of you for being members at Balcones! Get ready to hit the 576 in Summer of 2010!!!

Men's Golf Association News... by Jim Goreham

The MGA Auction tournament was held at the Spicewood course on Saturday, August 21st with a field of 71 players. The participants met on Friday evening at the Balcones clubhouse for the auction event with a Mexican food buffet provided as part of the tournament entry fee. In this unique tournament, the D players draw an A player out of the hat and then bid on B and C players who are randomly drawn. Each team has \$1000 'MGA Bucks' to spend on the two players. The catch is if a team spends \$700 on a player, that player loses 3 strokes off of their handicap, \$600 loses 2 strokes, and \$500 loses 1 stroke. So...how badly do you want that B or C player? With scoring based on one gross score and one net score, the strokes are important.

MGA Auction Tournament Results

PGA National MGA Point Leaders

The 2010 MGA season affords the opportunity for an MGA member to become part of the Balcones team which will go to PGA National in Florida for the Partners Championship Tournament. This tournament held in November features all of the Arnold Palmer Golf Management clubs competing. This all expense paid trip is a terrific benefit offered by the MGA. The top point's earner through the September tournament will be part of the Balcones team. As a reminder, MGA members earn points by participating in MGA events..1 point is given for playing and 5 bonus points are awarded for each three tournaments played by a member. Place points are awarded dependent upon your finish...10 points for 1st, 9 points for 2nd, 8 points for 3rd, etc..down to 1 point for 10th place. This year, 5 points are awarded to the MGA member who sponsors a new MGA member, and 10 points are given to the MGA member who brings in a new club member. Points are accumulated beginning with the November 2009 tournament through the September tournament for the Partners Championship. The MGA 'Player of the Year' will be decided for the points leader following the October 2010 tournament.

This year's points race is a tight one which will be decided in September. The top 5 leaders are separated by just a few points:

Bill Buckner - 84.5 pts
Pat O'Brien - 81.5 pts
Richard Clarke - 81 pts
Marco Martinez - 77 pts
Mike Cleveland - 75.5 pts

September's MGA Tournament will be held on Saturday the 18th at the Balcones course. It is an ABCD computer draw in which the team will select the 2 best drives and play a two man scramble in from there. Not an MGA Member? Play your first tournament for free. See the pro shop to sign up and the entry fee will be waived.

Good Luck to all teams!!

2010 Club Championship is in the Books!

If you were not around on Sunday to watch the final matches unfold, you missed a great event. Congratulations to all of our winners this year! This year we had 9 matches that had to go into extra holes this year so that we could find a winner. Both of the Champions Matches were fabulous. Donna Teets and Shari Riddle went 20 holes with Donna finally coming out on top. Deron Zinnecker and Jimmy Small match went so long that we had to postpone dinner that evening. Deron finally won this match on their 5th extra hole. In the Senior Matches Kevin Dahl and Karen Winrich are this year's Champion. Our Super Senior Champion is Tim O'Connell and our Junior Champion this year is Dillon Hamm. Congratulations to all of these winners as well as our President Flight winners. It was a great event.

Kids Helping Kids Junior Golf Tournament!

The Kids Helping Kids Jr. Golf tournament was a huge success on many levels!

We had 42 junior golfers that played today. Some from Balcones, kids from Cedar Park HS, kids from Great Hills, and other places. Everyone had a great time and we received great feedback from the players and the parents. Estimated total money raised for the 3 charities is \$2,795! Congratulations to Leah Cox and Jamie Cotton and the Balcones Women's Association for putting on a great event for these kids.

We are so excited about planning for this event next year!

Making Tee Times Online!

We have had a lot of questions regarding making tee times online. We are here to help you make this an easy adjustment. You have the ability to book tee time 10 days in advance at Spicewood and 7 days in advance at Balcones. All of these times can be booked online except for the weekend tee times at Balcones. You will need to come by or call the shop to set up your username and password before you can make a tee time online. When you go to our web site, www.balconescountryclub.com, click on the golf tab at the top of the page. In the drop down menu that appears you will see the words Tee Time. Click on the words and it will take you to a new page. Click on the link that says for Member Tee Times and follow the directions. Select the course you are wanting to play, the time you are looking for and the date. Then search for that time. When the times come up select the one you want and hit continue. You will then have to enter your username and password. These are not the same username and password that you enter to get to the members section on the front page of the website. The username for each member is normally the member number and the password will be something that you can remember. You will have to set up your username and password by calling Blake Sims at the Balcones Golf Shop and he will be glad to assist you in getting this setup. If you have any questions or need any help with this please give us a call at 258-2775.
